NOTE BY THE ADMINISTRATIVE DEPARTMENT.

The purchase of an X-ray apparatus for the Wellesley Sanatorium Jail, Bellary, was treated as a Part II Scheme for 1934-35 and approved by the Finance Committee. It was stated in the note placed before the Finance Committee that the cost of the apparatus would be Rs. 4,933 and that the apparatus would be purchased only in 1935-36 after the completion of the construction of the buildings in which it was to be installed. It is now proposed to purchase an improved model of the apparatus in India instead of in England as originally contemplated. The cost of the improved model is Rs. 8,600 in round figures. As the increase over the original estimate is appreciable, a report may be made to the Finance Committee.
